Who We Are

About Us

Hi, we're Novata Solutions – a full-service company that provides business optimisation through application and software development. We've delivered successful digital transformation services Australia wide since 2016, and continue to add value to everything we do within our end-to-end capabilities.

As a globally recognised award-winning company, we are committed to providing high-quality solutions to our clients, combining our innovative technology expertise with creative thinking to transform your vision into fully functioning solutions.

We value our team's continuous learning to keep ahead of the game. From concept to delivery, we work closely with our clients to ensure their business goals are achieved. We take pride in using our decades of combined experience to enhance your business.

Our Accolades

- 2021 OutSystems ANZ Accelerator Partner Award
- 2020 OutSystems Global APAC Transformation Award
- Microsoft Gold Partner - Application Development
- Microsoft Silver Partner - Cloud Platform
- Microsoft Silver Partner - Small and Midmarket Cloud Solutions

Our Vision & Values

Our vision is to add value to everything we do, whilst delivering above and beyond our clients' expectations. Our vision is supported by our core values:

Client Focused Solutions

A client-centric focus is at the core of who we are. We believe in fostering strong relationships with our clients to understand their needs and deliver the best outcomes.

Continuous Learning

We value the continued expansion of knowledge and skills within our team, keeping up to date with technologies to provide innovative solutions.

Commitment to Quality

We are committed to exceeding our clients' expectations of our products and services by maintaining a high quality standard throughout delivery.

As part of our commitment to quality, Novata Solutions is ISO 9001 : 2015 Certified through JAS-ANZ.

Giving Back

We are proud to support and give back where we can. We have supported a large variety of charities, community groups and causes over many years through pro-bono work and other initiatives.

Partner SALES DELIVERY

Microsoft

Our partnership with Microsoft is a great way to demonstrate our ability to provide high-quality results for your ICT problems. We are Microsoft Gold certified, which means we have a proven track record in achieving excellence in all areas of IT including infrastructure design and implementation, project management, software development, security, support and professional services.

OutSystems

We are proud to be one of the leading OutSystems partners in Australia, having been awarded the 2020 OutSystems Global APAC Transformation Award and 2021 OutSystems ANZ Accelerator Partner Award. Our partnership with OutSystems allows us to deliver low-code solutions in an agile fashion. OutSystems' low-code platform enables rapid delivery of business applications, utilising full-stack visual modelling and design to build, customise, deploy and scale your application with ease.

Our Products & Solutions

In line with our vision to add value, we continually strive to develop innovative products that enhance business processes and productivity.

Form Builder

Our globally recognised Form Builder, built within OutSystems, allows your organisation to create, design and customise any type of form rapidly, and collate and export data from one centralised location.
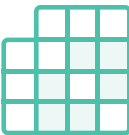

Controlled Document Management System

Our CDMS captures all of your organisations controlled documents in one easy to use solution, allowing for policies, procedures, forms and templates to be accessed securely with permissions.

Contract Management

Our Contract Management solution allows seamless creation, editing and storage of all your contracts, integrating with digital signature solutions to allow for easy acceptance and receipts of all your contractual agreements.

Risk Management

Our Risk Management Solution assists in mitigating risks and providing governance compliance, to aid in your business management and decision making processes.

Digital Workplace

Our custom-built digital workplace solution empowers your organisation to connect to your employees from anywhere, at any time.
